Subject: Ring Reward Program -REMINDER-

This is a REMINDER:

Residential crime related to theft and burglary remains a primary topic during neighborhood engagement meetings. The Ring Home Security Camera system provides not only intelligence about suspect's action and descriptions, but serves as a deterrent to crime. The El Monte Police Department will utilize Ring Camera Door Bells as a reward to community members. The Cameras will be provided to witnesses based on the following criteria.

1. Any community member who has descriptive knowledge of a suspect seen committing a burglary to a residence or a theft of property from a residence in El Monte and reports the information to officers during the course of the investigation;
2. Witnesses must provide identifying suspect information; and be willing to testify if needed.
3. An arrest of a suspect connected to the report in which the witness supplied a description or confirmed identity; and information is corroborated to meet the requirements of arrest by police.

Please ensure members of the community that help us are rewarded.

Hi EPD Portal Users,

Hope this email finds you well. I noticed that both of you created Portal accounts and logged in. Now that you are more acquainted with Portal I wanted to share best practices around Comments that our most successful agency partners have done. As a reminder, **frequent and real** time commenting and posting on Portal significantly improves EMPD's relationship with civilians. Here's a list of resources to help you get started:

General Tips

The initial three months of the partnership will set the tone for EMPD's relationship with civilians on Portal. This is why it's crucial to start posting and commenting immediately. The civilian nature on the Neighbors App is real time so the best practice towards a successful agency and civilian relationship is responding frequently and in real time.

Canned Comments

Here's a list of canned comments and examples from our most successful agency partners that you can use to copy and paste from when responding to posts: [Portal Comments](#) (also attached). These were written by officer and detective Portal users.

Subject: Boost Leads with Video Requests

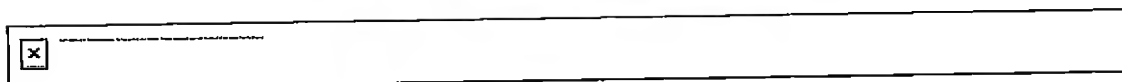

requesting videos from Ring device owners can provide many leads, but you can always use more to close a case. Extend your investigation to non-Ring device owners in the area by **creating a Post** on the Neighbors Portal after submitting a Video Request.

Soliciting information from all neighbors in the area of interest increases your chances of receiving actionable evidence to help solve more cases with one click.

Best Practices

1. When submitting a Video Request, also **create a Post** to extend your reach
2. In your Post, ask neighbors to **share videos** from any kind of security camera or smart device
3. Provide your **contact information** so neighbors can reach out directly

Subject: Boost Leads with Video Requests

requesting videos from Ring device owners can provide many leads, but you can always use more to close a case. Extend your investigation to non-Ring device owners in the area by **creating a Post** on the Neighbors Portal after submitting a Video Request.

Soliciting information from all neighbors in the area of interest increases your chances of receiving actionable evidence to help solve more cases with one click.

Best Practices

1. When submitting a Video Request, also **create a Post** to extend your reach
2. In your Post, ask neighbors to **share videos** from any kind of security camera or smart device

**Vehicle Burglary-Window Smash**

On 2/4/19 between 08:30 AM to 2:30 PM a victim's vehicle was burglarized while parked in the Business Complex. The vehicle was locked, however, the suspect smashed the side window to gain entry. Once inside of the vehicle, the suspect removed the victim's purse. The TRPD is reminding our residents prior to locking and leaving your vehicle unaccompanied to conceal or remove any valuables such as pocketbooks, computers, cell phones, cash/loose change that may be in plain view. Always remember, if it is out of sight it will be out of mind!

Hi Captain,

We're looking forward to the 10am and 12:30pm Onboardings tomorrow! I'll be arriving by 9:20am to set up my laptop/presentation. Do you have an IT person I can work with?

Also, can you please add all the attendees that will be at the Onboarding tomorrow to the attached sheet and send back to me tomorrow? I know you have the coordinators on there but we'll need to digitally add the additional attendees to Portal after the Onboarding concludes. My cell # is in my signature if you need to reach me.

Hi Captain Williams,

Thank you all for connecting with me earlier! *Recap and a few action items from our call below as promised.*

I'll also be sending a separate, follow-up email with PR materials to your PIO so we can get started on the public announcement components ahead of the Onboarding as well.

Can you please send me a list of the titles and emails of all of the coordinators who attended today's webinar as well as a beats map (shape file format is fine)?

1. Onboarding

a) Projected Date: Wednesday 4/24

Recommended schedule below:

Session 1: Neighbors Feed @ 10AM (to be scheduled by PIO)

Attendees: PIO, Existing social media users, Community Relations officers

Session 2: General + Investigations @ 11:30AM (to be scheduled by Investigations Coordinator)

Attendees: RTCC, CID, analysts, general

b) Scheduling - I'll be sending over a calendar invite to everyone who attended the webinar as a placeholder. Once confirmed, please send out your respective internal calendar invites to the team and copy myself.

2. Portal Requirements

a) Account Provisioning - Attached is an Excel doc outlining what's needed to provision users. Please add everyone that would potentially need an account and send it back our way before the scheduled onboarding. Please note that accounts will NOT be provisioned until after the onboarding and that we will confirm the final provisioning list with you before doing so. Please let me know if you have any questions on this!

b) **Browser Compatibility** - Portal is compatible with Chrome or Firefox. Please refrain from using Internet Explorer or any others not listed above.

3. Initial Public Announcement / Ongoing Engagement

a. Your PIO, Morgan and I will be following up separately with additional PR materials to help as we coordinate the initial announcement and begin strategizing for long-term engagement.

Otherwise, thank you again for your time earlier and let me know if you have any additional questions!
